

Phùng Kí Tài

Web Development Intern

+84 346909328

phungkitai1810@gmail.com

562 Lang, Dong Da, HaNoi

OBJECTIVE

Highly skilled and motivated web developer in designing and implementing innovative web solutions. Adept at coding, troubleshooting, and collaborating with cross-functional teams to drive project success. Seeking a challenging web development position at your company, where I can leverage my expertise in specific technologies or frameworks, contribute to the creation of cutting-edge websites or applications, and continue to expand my knowledge in a dynamic and collaborative environment.
